1. Complete a brief statement on the 2018 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The total 2018 proposed budget has increased in the amount of \$1,124,707 compared to the 2017 adopted budget. The following line items exceed the +/-10% variance:

- A New Debt Service has been added to the 2018 Budget in the amount of \$168,719.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

There is an increase in the amount to be raised by taxation in this proposed budget of approximately \$70,706. There is a utilization of restricted fund balance in the amount of \$1,410,000. The tax rate will be increased .320 to .349.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

This proposed budget is within the guidelines of the Property Tax Levy Cap without utilizing any of the prior year cap bank.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

The District does not plan to pass a Resolution for the Release of Restricted Fund Balance.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The capital appropriations include the Firehouse Capital Improvements for \$1,410,000 with a payment method of \$1,410,000 using utilized restricted funds.

The second Debt service appropriation is for the principal and interest payment on an intergovernmental loan for the purchase of a rescue truck. The loan of \$625,000 has a suggested repayment of \$125,000 per year for five years. This is year two of five. The interest rate for 2018 is 1.14%
